

Dynamo Grind Series tables feature a ¼" heavy-duty steel top, 3-sided moveable spark shield, flame-retardant push-button pulse cleaning cartridge filtration and an ember-catching water tray. These tables are used for welding and all types of metal applications (grinding, welding, cutting, polishing, etc.). **These tables cannot be used for any type of magnesium or aluminum application.**

Available Sizes

MODEL #	SIZE	MOTOR/HP	CFM	Included Options	Sound Level
DDG-2635	26" x 35"	1HP	1975 CFM	Casters	70 Db
DDG-2872	28" x 72"	2HP	3000 CFM	Auto-Timer, Magnehelic Gauge	76 Db
DDG-3648	36" x 48"	2HP	3400 CFM	Casters	78 Db
DDG-3660	36" x 60"	2HP	3600 CFM	Magnehelic Gauge	77 Db
DDG-3672	36" x 72"	2HP	4000 CFM	Muffler, Auto-Timer, Magnehelic Gauge	79 Db
DDG-4848	48" x 48"	2HP	3600 CFM	None	77 Db
DDG-4872	48" x 72"	5HP	4300 CFM	Muffler, Auto-Timer, Magnehelic Gauge	80 Db
DDG-4896	48" x 96"	7.5HP	5300 CFM	Muffler, Auto-Timer, Magnehelic Gauge	82 Db

*All tables available in 1-Phase or 3-Phase

**Optional Features on All Models: Explosion Proof Motors (3 phase only), Light Bars, Exhaust Mufflers, Magnehelic Gauges, Filter Cleaning Auto-Timer, HEPA Filter Banks, Carbon Filter Banks
